

**HINGHAM AFFORDABLE HOUSING TRUST
HINGHAM, MASSACHUSETTS
MEETING MINUTES**

Date: September 20, 2017

Location: South Hearing Room, Hingham Town Hall

Called to Order: 7:05 pm

Attendance: Tim White, Chairman; Brittan DuBose, Anita Comerford, Nancy Kerber, Mike MacDonald, Al Chambers, Kathleen Amonte

Approval of Minutes from Meeting of August 16, 2017: Voted – a motion was made by Kathleen Amonte and seconded by Anita Comerford to approve the Open Session minutes from August 16, 2017. A vote was taken and all were in favor; the motion passed.

Treasurer's Report/Approval of Invoice: Anita went over the report. The September report will show the \$150,000 payment for Rust House. Anita and Sue Nickerson were wondering if they could account for Lincoln School separately. Tim does not see an issue and thinks it would clarify things.

Voted – a motion was made by Nancy Kerber and seconded by Brittan DuBose to approve the NAHRO invoice of \$75. A vote was taken and all were in favor; the motion passed.

Voted – a motion was made by Al Chambers and seconded by Nancy Kerber to approve a bill from GateHouse Media for the advertising of the RFP for Whiting Street. A vote was taken and all were in favor; the motion passed.

Voted – a motion was made by Al Chambers and seconded by Nancy Kerber to approve a bill from MacKenzie for 10 Cedar Street work. A vote was taken and all were in favor; the motion passed.

Voted – a motion was made by Al Chambers and seconded by Brittan DuBose to approve the treasurers report. A vote was taken and all were in favor; the motion passed.

Whiting Street: There was one response to the RFP, Habitat for Humanity. Carol Costello was kind enough to put together an evaluation form. Trust members took time to evaluate the proposal individually. Before they did that, the Board agreed to skip to Beal Street for a few minutes since there was a resident there who wanted to speak to the Trust.

80 Beal Street: Shannon Brinkley attended. She owns one of the affordable units and is concerned with the costs that have come up. Her condo fee has doubled and she was assessed \$4375 for snow removal from two years ago. She felt there was very short notice and felt threatened to pay. Her concern is that she will not be able to stay there. Tim does not believe there is a cap on her condo fees. The Trust finds the fact that the condo fees have gone up so quickly troubling.

Al mentions that the condo association should consider making it a town road so the town would plow it. Tim will follow up with the condo association before the next meeting and will also reach out to DHCD.

Whiting Street (Resumed): Tim collects the evaluation forms and the results are tallied. The proposal is clearly met with approval from the Trust. The next procedure is to vote and send notice to Habitat. Then there will be a negotiation procedure and everyone will come up with a schedule. Mike had a question on funding, which was discussed.

Voted – A motion was made by Mike MacDonald and seconded by Nancy Kerber - Will the Hingham Affordable Housing Trust (the "Trust") designate South Shore Habitat for Humanity (the "Habitat"), 20 Mathewson Drive, Weymouth, MA 02189, as the Designated Developer of the property known as 302-304 Whiting Street, Hingham, MA 02043, subject to certain conditions and terms outlined in the Whiting Street Property Request for Proposals (the "RFP"), due on September 13, 2017, and the Habitat Response to the RFP? A vote was taken and all were in favor; the motion passed.

Rust House: The purchase closed last week. A deed rider has been drafted that is the standard affordability rider. Now Father Bill's is working to get the property on the town's affordability inventory.

Old Ship: Tim has been contacted by Old Ship. The developer is out of the picture. The church would like to set up a meeting with folks from the Town and would like Tim to attend.

Selectmen's Parcel: Nancy had a good meeting with Sharon Napier from the Hingham Housing Authority about 100 Beal Street. They are proposing a mix of affordable apartments for 55+. Right now there is a deed restriction on the property that prevents them from doing that which expires in March of 2018. The Housing Authority did a needs assessment study. They would like to have a local and veteran preference. Tim and Nancy will try to attend their next meeting.

The Trust is asked to think about what they can do to maintain affordable units in Town.

Lincoln School Apartments Update: Aylene was sick and could not attend. She gave an update via email.

On the elevator project: still some back and forth going on with the Town, the RFP should go out by end of September for work to start in April, the Town had asked the consultant to make some changes in his proposed RFP and all have been made.

Other improvements underway include new outdoor benches which should be in early October and also new outdoor lights which will be done 1/2 in 2017 and 1/2 in 2018.

There is a new onsite maintenance manager in place, named Ryan, the fellow that had been there for years retired. The residents couldn't say enough positive about the new fellow and seem to love him. The Board asked Ryan to do a "review" of the property as a fresh set of eyes and plan a walk around with him on 10/3 at 8 am if anyone wants to join us.

Emily Wentworth and Susan Murphy reviewed the Corcoran Management contract at the Board's request and are doing a revised version with changes they think we need to have in place.

MEETING MINUTES**

The Board feels that the Town needs an employee who handles things like making sure we stay on the affordable inventory list with the State and keeps track of things like the management contract so there is continuity as the Board members change up.

Tax Title Properties: Anita will check to see where it stands.

LIP Opportunities: Mike and Tim were not able to get over to Fort Hill Street last month. They will try again. The price has dropped again.

Housing Production Plan: No updates.

Chairman's Report: Brittan went over the application. Final drafts are due in October.

Ridgewood Crossing: Nothing to report

Next Meeting Date: The next meeting will be Wednesday, October 18, 2017

Adjournment: Voted – a motion was made by Al Chambers and seconded by Brittan DuBose to adjourn the meeting. A vote was taken and all were in favor; the motion passed. The meeting adjourned at 8:52 pm.
